

The world exists
as a Trinary.
Temperature is
not only Hot or
Cold; it is also
Warm. So it is with
all things. We
need not exist as
Us or Them. We
can be Together

Every individual has
ownership of their
own person and
right to self
determination,
assuming those
choices cause no
harm.

The United Nations
Universal
Declaration of
Human Rights and
United Nations
Convention on the
Rights of the Child
are touchstones for
the rights accorded
to all

Wardian Principles
for an Evolutionary
Life

The 3 Tenets

1
Strive to do no harm.
If you do harm, attempt to
correct it

2
Strive to prevent harm.
If you can not prevent it,
attempt to reduce it

3
Strive to improve upon the
collective experience.
If you cannot improve upon
it, do not worsen it
